

Personalization questions

The information you give me will help me get to know you a bit and will be used to create a personal introduction to your ceremony in the way of a brief “Love Story” or in other parts of the ceremony where it may be appropriate.

If you would like to include the ‘Love Story’ introduction in your ceremony, your answers to the questions below must be submitted at least two weeks in advance to allow time to create your ‘Love Story’

When, Where and How did you meet?

When was your first date, what did you do and how did it end?

How long did you date before you got engaged?

Bride: when did you realize that he was the man for you and why?

Groom: when did you realize that she was the woman for you and why?

Describe the Proposal, where, when and how did it happen?
